

DECLARATION AND POWER OF ATTORNEY

Scott L. DIAMOND declares:

I am a citizen of the United States of America and a resident of the City of Bala Cynwyd, the County of Montgomery and the Commonwealth of Pennsylvania, whose post-office address is 610 Yale Drive, Bala Cynwyd, Pennsylvania 19004.

I verily believe myself to be the original, first and sole inventor of the improvement in "Peptide or Protein Microassay Method and Apparatus" which is described and claimed in the annexed specification.

I have reviewed and understand the contents of the specification, including the claims.

That this application in part discloses and claims subject matter disclosed in my earlier filed pending provisional patent applications: Serial No. 60/266,042, filed February 2, 2001; Serial No. 60/309,999, filed August 3, 2001; Serial No. 60/313,380, filed August 17, 2001; Serial No. 60/313,368, filed August 17, 2001; Serial No. 60/313,377, filed August 17, 2001; and Serial No. 60/322,619, filed September 17, 2001; respectively.

That, as to the subject matter of this application, which is common to said provisional patent applications, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof; or patented or described in any printed publication in any country before my invention thereof or more than one year prior to said earlier application; or in public use or on sale in the United States more than one year prior to said earlier application.

That said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said provisional patent applications in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to said provisional patent applications.

That the first filed application for patent or inventor's certificate on said invention set forth in said provisional patent applications filed by me or my legal representatives or assignees in any country foreign to the United States is: NONE.

That, as to the subject matter of this application which is not common to said provisional patent applications, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof; or patented or described in any printed publication in any country before my invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application.

That said subject matter of this application which is not common to said provisional patent applications has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by me or my legal representatives or assigns more than twelve months prior to the date of this application.

That the first filed application for patent or inventor's certificate on said invention first set forth in this application filed by me or my representatives or assigns in any country foreign to the United States is: NONE.

I acknowledge my duty to disclose information of which I am aware which is material to the patentability of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a) including matters as occurred between the filing date of my said provisional patent applications and the filing date of this application.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

I hereby appoint Barbara E. Johnson, Registration No. 31,198; William H. Logsdon, Registration No. 22,132; Russell D. Orkin, Registration No. 25,363; David C.
